## *Introducing . . . DQI-Montrose*

Delaware Quarries, Inc., the largest supplier of decorative landscape and building stone in North America, is proud to introduce our newest state-of-the-art wholesale distribution center in Montrose, PA. Situated within the heart of the PA Bluestone industry, DQI-Montrose continues our pledge of offering the finest quality natural landscape stone products anywhere. The 300-acre DQI-Montrose facility, located one hour northwest of Scranton, boasts over 10,000 pallets of Wallstones, PA Bluestones and Flagstones, Boulders, and Garden Steppers. Extensive inventories allow for large quantity shipments of premium Delaware Quarries, Inc. products typically within a 48-hour period.

This new facility will continue to expand with both inventory and equipment in order to meet our customers' needs now and in the future. All products entering our facility must go through a comprehensive quality control system that is new within the Bluestone Industry. Also new are consistent package quantities that allow for greatly improved order and shipping performance.

Delaware Quarries, Inc. is the name to remember for service, quality, and competitive pricing.
